

HUNGER GAMES

The Paul Fast
Acts 9:1-9

The Paul Fast-Fasting to bring clearer perspective and insight in critical decision making.

The apostle Paul was confronted with a paramount decision and needed supernatural direction. He was knocked down on the Damascus Road and was converted by Christ. Though he was converted he was without sight and had to led to Damascus. After Paul fasted, he “saw the light”. God sent Ananias to the house where Paul was staying. Ananias placed his hands on Paul the former persecutor, and he received the vision to become Paul the apostle.

WHAT IS DECISION MAKING?

Making a decision is a process that includes making a choice or judgment about an attitude or action. Decisions are an act of the will, and they are always influenced by either the mind or emotions.

- Your decisions receive God's blessing when you are willing to obey God.
- Your decisions should be based on what you know to be God's revealed will.
- Your decisions are ultimately revealing the desires of your heart.

Preparing for the Saint Paul Fast

Aim: My Saint Paul Fast is for wisdom and decision making.

Vow: I will delight myself in the Lord so that my desire becomes what He wants in this decision (see Ps 37:4). I will “seek first the kingdom of God and His righteousness” (Matt 6:33) in my life so I can follow His principles in analyzing and making a decision. I will seek the Lord for His answer to the problem. I am fasting because I want to make the best decision and be in the center of His will (see Rom. 12:1-2).
