

Your Story But God's Glory

John 9:1-3

A story consist of a setting and plot, also characters and a point of view. A story also contains conflict. A person's life has all the elements of a story. Your life and my life had a beginning and your life and my life have a plot. In our lives we may have many characters who play a role, and yes we will have conflict. Our lives do not only consist of the physical, but we are also spiritual. **Genesis 2:7 says "And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul."** By being spiritual we are made to give God Glory. Does your life Glorify God?

In this lesson we will meet someone who was physically blind from his birth and like this man there are those who are spiritually blind as well. We will also see that Jesus cares about both the physical and spiritual well-being. The goal of today's lesson is to see that only Jesus can give us the help we need both spiritually and physically. Also, we have a story and that story is designed to give God the Glory.

Here are some questions for you to examine concerning your story (your life).

- Where are you in life?
- How did you get to this point in your life?
- What was the Journey like?
- Where is Jesus in your life?
